## RAILFRIEGHT SERVICES

The Group is one of the pioneers in operating the fully containerized landbridge rail services Thailand.

The fully chartered train service commenced in 1999, with one run per week. Today it operates four weekly services, accepting both FCL and LCL. The train route is services from Bangkok to more terminal With special

agreement agreement obtained from the Royal Malaysian & Royal Thai Customs, no customs formality is required at the border in Padang Besar, thus allowing for clearance at the Port of Discharge, therefore making the process of customs clearance easier and more efficient for both exporters and importers. FMH owns and operates a fleet of about 800 containers in 20 foot and 40 foot units.

## PROJECT LOGISTICS SERVICES

## LAEMCHABANG BRANCH

Our Laemchabang Branch Office is located at the center of Business Area close to Laemchabang Port approximately 3 kilometers. Our business responsible area are all those Industrial Estate surrounding Laemchabang Area for example, Laemchabang Industrial Estate / Pinthong 1 - 3 / Hemaraj / Amata City / Siam Eastern / Maptaphut / etc. We also provide the one stop service solution to all clients for either Import or Export via Ocean Freight and Air Freight.

We are the only Master Coloader doing weekly export consolidation at Laemchabang Port to Worldwide via our Singapore's Hub. Our clients will enjoy lower cost of transportation to Laemchabang rather than to Bangkok and we guarantee the transit time within 3 working days to Singapore.
