NOTICE

28TH MARCH,2022.

Dear Valued Customers,

The Government of SHANGHAI implemented city-wide disinfection and quarantine measure as a contingency protocol for recent COVID outbreak in SHANGHAI.The city would be locked down partially, with Pudong (East of HUANGPU RIVER) under restriction from 28th -31st March, and PUXI(West of HUANGPU RIVER) from 1st to 4TH April.Dut to the restriction and national holiday,SHANGHAI VAST GROUP office would be closed from 29TH MARCH to 5TH APRIL.

In order to keep your supply chain moving,we closely monitor the situation and provide you the most up-to-date information:

From 28TH to 31ST MARCH.

Our warehouse in PUDONG(XINGCHENG CFS),its operation would be suspended;whereas our warehouse in PUXI(BAOSHAN CFS) remins working.

Since terminals and ports lay in PUDONG, so even though we can receive cargoes in PUXI ,containers may no be delivered to terminals and ports during this period.We have to inform all partners the situation in advance.

From 1ST to 4TH APRIL.

Our warehouse in PUDONG (XINGCHENG CFS) will resume its operation;whereas the operation in PUXI warehouse (BAOSHAN CFS) would be suspended.

We'll continue to keep you posted of all developments and offer its solutions correspondingly.
